

You're invited!

Oyster Point Construction Community Open House

Thursday, May 4, 2017

Drop-In Hours: 6:00 p.m - 8:00 p.m., Remarks: 6:30 p.m.

Oyster Point Yacht Club

911 Marina Boulevard, South San Francisco, CA 94080

RSVP

Starting this summer, we will begin construction to transform Oyster Point into a vibrant and sustainable mixed-use space, as called for in the 2011 Oyster Point Specific Plan. The first phase of this work will improve vital and necessary infrastructure and roadways to support new office, public amenities, and future commercial users.

On Thursday, May 4, we are hosting a Construction Community Open House where you can learn more about the vision for Oyster Point and what to expect from the upcoming construction. We will share more information about what to expect during construction, as well as important upgrades to the area, such as:

- Installation of new utilities
- Improvements to open space, including flexible recreation space
- Reconfigured, repaved Oyster Point Boulevard
- Sea level rise infrastructure improvements

You'll have an opportunity to ask questions and provide feedback.
