

REQUEST FOR PRE-QUALIFICATION OF BIDDERS COMMENCING WITH
FORTHCOMING PUBLIC WORK BID

Notice is hereby given that San Mateo County Harbor District has determined that all bidders on the **PILLAR POINT HARBOR WEST TRAIL LIVING SHORELINE PROJECT** to be undertaken by the San Mateo County Harbor District must be pre-qualified prior to submitting *a bid on that project*. It is mandatory that all Contractors who intend to submit a bid, fully complete the pre-qualification questionnaire, provide all materials requested herein, and be approved by San Mateo County Harbor District to be on the final qualified bidders list. No bid will be accepted from a Contractor that has failed to comply with these requirements. If two or more business entities submit a bid as part of a Joint Venture, or expect to submit a bid as part of a Joint Venture, each entity within the Joint Venture must be separately qualified to bid. The last date to submit a fully completed questionnaire is 07/07/2021 2:00pm PST. Contractors are encouraged to submit pre-qualification applications as soon as possible, so that they may be notified of omissions of information to be remedied or of their pre-qualification status well in advance of the bid advertisement for this project.

Answers to questions contained in the Pre-Qualification questionnaire, Project description and plans can be found on District website: <https://www.smharbor.com/bids-rfps-rfqs> , information about current bonding capacity, notarized statement from surety, and the most recent reviewed or audited financial statements, with accompanying notes and supplemental information, are required. San Mateo County Harbor District will use these documents as the basis of rating Contractors in respect to the size and scope of contracts upon which each Contractor is qualified to bid. San Mateo County Harbor District reserves the right to check other sources available. The District's decision will be based on objective evaluation criteria.

San Mateo County Harbor District reserves the right to adjust, increase, limit, suspend or rescind the pre-qualification rating based on subsequently learned information. Contractors whose rating changes sufficient to disqualify them will be notified, and given an opportunity for a hearing consistent with the hearing procedures described below for appealing a pre-qualification rating.

While it is the intent of the pre-qualification questionnaire and documents required therewith to assist San Mateo County Harbor District in determining bidder responsibility prior to bid and to aid San Mateo County Harbor District in selecting the lowest responsible bidder, neither the fact of pre-qualification, nor any pre-qualification rating, will preclude San Mateo County Harbor District from a post-bid consideration and determination of whether a bidder has the quality, fitness, capacity and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

The pre-qualification applications should be submitted by email to San Mateo County Harbor District, Capital Improvement Projects, John Moren e-mail at jmoren@smharbor.com

The pre-qualification applications (questionnaire answers and financial statements) submitted by Contractors are not public records and are not open to public inspection. All information provided

will be kept confidential to the extent permitted by law. However, the contents may be disclosed to third parties for purpose of verification, or investigation of substantial allegations, or in the appeal hearing. State law requires that the names of contractors applying for pre-qualification status shall be public records subject to disclosure, and the first page of the questionnaire will be used for that purpose. Each questionnaire must be signed under penalty of perjury in the manner designated at the end of the form, by an individual who has the legal authority to bind the Contractor on whose behalf that person is signing. If any information provided by a Contractor becomes inaccurate, the Contractor must immediately notify San Mateo County Harbor District and provide updated accurate information in writing, under penalty of perjury.

San Mateo County Harbor District reserves the right to waive minor irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a specific future public works project.

Contractors may submit pre-qualification applications during regular working hours on any day that the offices of San Mateo County Harbor District are open. Contractors who submit a complete pre-qualification application will be notified of their qualification status no later than ten (10) business days after submission of the information.

San Mateo County Harbor District may refuse to grant pre-qualification where the requested information and materials are not provided, or not provided by 07/07/2021 2:00pm PST. There is no appeal from a refusal for an incomplete or late application, but re-application for a later project is permitted. The closing time for bids will not be changed in order to accommodate supplementation of incomplete submissions, or late submissions.

Where a timely and completed application results in a rating below that necessary to pre-qualify, an appeal can be made. An appeal is begun by the Contractor delivering notice to San Mateo County Harbor District of its appeal of the decision with respect to its pre-qualification rating, no later than ten (10) business days prior to the closing time for the receipt of bids for this public works project. Without a timely appeal, the Contractor waives any and all rights to challenge the decision of San Mateo County Harbor District, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than five business days after the District's receipt of the notice of appeal, and no later than five business days prior to the last date for the receipt of bids on the project. The hearing shall be an informal process conducted by a panel to whom the Board of Commissioners of the District has delegated responsibility to hear such appeals (the "Appeals Panel"). At or prior to the hearing, the Contractor will be advised of the basis for the District's pre-qualification determination. The Contractor will be given the opportunity to present information and present reasons in opposition to the rating. Within one day after the conclusion of the hearing, the Appeals Panel will render its decision. It is the intention of San Mateo County Harbor District

that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

Note: A contractor may be found not pre-qualified for bidding on a specific public works contract to be let by San Mateo County Harbor District, or on all contracts to be let by San Mateo County Harbor District until the contractor meets the District's requirements. In addition, a contractor may be found not pre-qualified for either:

- (1) Omission of requested information or
- (2) Falsification of information

* * * * *

NOTICE: To contractors who are using subcontractors for this job, please be advised that San Mateo County Harbor District **may** require, as to subcontractors, one of the following:

- The qualification of subcontractors in the following crafts or trades, following acceptance of your bid, but before the award is made:

- Pre-qualification of all subcontractors.
- Pre-qualification of subcontractors in certain crafts.
- Post-bid qualification review.
