Edmundo Larenas, Commissioner
James B. Pruett, General Manager
Trisha Ortiz, District Counsel

Addendum #3 **San Mateo County Harbor District Master Plan, RFP 2019-05**

Questions, Clarifications, Requests for Modifications

Q: *What level of sustainability/coastal resiliency engineering needs to be addressed, can this be conceptual/"best practices" in nature?*

A: Sustainability and coastal resiliency are very important to the San Mateo County Harbor District and the public. An emphasis on these would be appropriate, at minimum current "Best Practices" should be applied.

Reminder: Proposals are due October 1, 2020 by 2pm, as per RFP, either by mail or courier drop-off. As per Addenda #1, electronic copies will be accepted. District Office at 504 Avenue Alhambra, El Granada, CA, 2nd floor will be staffed from 8am until 2pm to accept proposals. Due to COVID-19 the office doors are closed. Signs will be in place directing couriers to the 2nd floor and/or to call (650) 228-8683 for staff to open and accept proposals.
