Agenda Item G 5

Ahoy Board of Harbor Commissioners.

My name is Captain William Smith (Smitty) of the CPV RIPTIDE.

I am writing in regard to the proposed new logo for the District.

I believe this “NEW” logo should be more representative of the district.

When this represents both Pillar Point Harbor and Oister point.

First there is not much of a commercial presence in Oister point. Second there is more to Pillar Point Harbor than just a commercial fleet.

I would propose the usage of the Harbor Patrol craft to be more representative for the harbor. As this is one of the major aspects of our harbor and think that their representation should get the largest representation.

These dedicated people are there to oversea one and all’s safety. There dedication should be honored with this.

Just my 2 cents worth.

Thank you

Captain Smitty
