

April 27, 2018

Notice of Change:

AT&T Service Disruption:

Due to the ongoing Oyster Point construction activities, the AT&T communications line will be disconnected as of Thursday, May 10, for approximately 12 to 18 months. The AT&T service will ultimately be reconnected as soon as construction progress allows.

If you are currently an AT&T customer, please contact the Oyster Point Project Manager at (650) 878-6634 for us to assist with finding an alternative solution.

We apologize in advance for any inconvenience, but please be assured that we will make every effort to minimize any disruption.

Marina Blvd Closure:

Due the ongoing Oyster Point construction activities, please note that Marina Blvd will be closed from May 4th, 2018 and traffic will be rerouted to the new temporary road.

All appropriate signages are in place and ready for the move. Please follow the directions on the traffic signs for the appropriate directions.

Sincerely,

Oyster Point Development Management Team

**If you are currently an AT&T customer,
please contact the Oyster Point Project
Manager at (650) 878-6634 for us to assist
with finding an alternative solution.**
