

San Mateo County Harbor District

Water Quality and Public Safety Committee Meeting

Thursday, February 12, 2015

San Mateo County Resource Conservation District Office

625 Miramontes Street, Suite 103, Half Moon Bay

7:00 pm to 8:30 pm

The San Mateo County Harbor Commission Water Quality and Public Safety Committee shall advise and assist the San Mateo County Harbor Commission in researching, developing, and advocating water quality and public safety improvements. This work may include researching and recommending ways to carry out water quality monitoring projects and assisting the Harbor District in securing support and funding for improvements to public safety concerns in the Harbors.

The members of the Water Quality and Public Safety Committee are:

Nicole David (Harbor Commissioner) and Tomas Mattusch (Harbor Commissioner).

Agenda

Item	Description	Desired Outcome
1 7:00-7:10	Introductions and review of agenda. Announcements.	
2 7:10-7:25	Discuss current monitoring efforts through RCD and other agencies. Define short and long term goal for Harbor.	Prioritize concerns for water quality
3 7:25-7:45	Discuss options for additional monitoring, e.g., application of digital polymerase chain reaction (PCR) in water quality monitoring at Harbor.	Gather information and associated costs
4 7:45-8:00	Risk assessment of Johnson Pier.	Gather information and identify areas of concern
5 8:00-8:15	Discuss possible control of hazards and seek input from fishermen.	List of possible control measures (e.g., posted information, signage)
6 8:10-8:20	What inspections are needed for Cal OSHA? What inspections are needed for Federal OSHA?	Action Item for research* and compilation of list
7 8:20-8:30	Develop timeline for priorities and action items for WQ and Public Safety Committee.	Schedule
